

## **DigiSAFE increase shareholding in DataMark**

Singapore, 23 April 2002 - DigiSAFE Pte Ltd ("DigiSAFE") has increased its shareholding in DataMark Technologies Pte Ltd ("DataMark") from 510,000 ordinary shares of \$1.00 each to 612,000 ordinary shares of \$1.00 each by way of subscription of an additional 102,000 new ordinary shares of \$1.00 each in the capital of DataMark. DigiSAFE's shareholding in DataMark is thereby increased from 51% to 55.38%.

The equity injection is in response to DataMark's capital call to raise working capital.

DataMark is jointly owned by DigiSAFE and a few individuals. It develops and provides digital watermarking and related solutions for security of information in various formats. DigiSAFE is a wholly-owned subsidiary of CET Technologies Pte Ltd ("CET"), while CET is a wholly-owned subsidiary of Singapore Technologies Electronics Limited ("ST Elect"), the electronics arm of ST Engg.

### **About ST Elect**

ST Elect, the electronics arm of ST Engg, is one of the largest electronics system houses in the region. ST Elect prides itself in delivering innovative system solutions to defence, commercial and industrial customers worldwide. It specialises in the design, development and integration of advanced electronics systems, such as communications, m-commerce solutions, microwave, traffic and rail management, real-time command and control system, training & simulation, and intelligent building management. ST Elect applies new technologies and design applications to the demands and stringent requirements of customised electronics systems and solutions. It undertakes continuing research and development to help create cost-effective proprietary products at system and component levels, delivering innovative and quality solutions to customers.
